New Apprentice Hunting License

This license allows hunters age 16 and older to bypass the hunter education requirement for purchasing a hunting license while they hunt under the direct supervision of a licensed hunter. They may purchase the apprentice hunting license up to two times without having completed hunter education. Both the resident and nonresident licenses include the hunting and habitat fee. *Additional restrictions and regulations may apply...

Privilege Code	Description	Customer Price	Agent Commission
037	Resident Apprentice License	\$30.00	\$0.50
038	Non-resident Apprentice License	\$123.00	\$0.50

- Minor apprentice hunter must be accompanied and aided while hunting by a mentor who is: 1) the minor's parent or guardian, or 2) a competent adult with the consent of parent(s) or guardian(s).
- The mentor of an apprentice hunter must be fully licensed for the species they plan to hunt.
- Residents that purchase the apprentice hunting license may hunt deer and turkey. For deer hunting, tags must also be purchased for the same season and area/zone/county as their mentor. For fall turkey, both mentor and apprentice hunter must have a valid fall turkey tag. For spring turkey, mentors only need to have a valid spring turkey tag for one of the spring seasons and not necessarily the same season as the apprentice hunter. Apprentice hunters must fill their own tag(s) in all circumstances.
- A nonresident apprentice hunter is not allowed to hunt deer and turkey under the provisions of this license.
- While hunting, the apprentice hunter must be under the direct supervision of the mentor, meaning the mentor must maintain constant direction and control of the apprentice hunter and stay within a distance from the apprentice hunter that enables the mentor to give visual and auditory communications to the apprentice hunter.
- There must be one licensed mentor in direct supervision of each apprentice hunter.
